DETAILED ACTION

Allowable Subject Matter

1. Claims 1,3-6,8-10,17,19-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record either singly or in combination, fails to anticipate or render obvious the limitations of claims 1, as follow: an optical system including a plurality of lenses in optical communication with the LED module. A zoom apparatus that selectively relatively axially translates the optical system and the LED module, the zoom apparatus including an inner sleeve on which the LED module is disposed.

The limitations of claims 5, 9 and 17 as follow: An optical system including at least one lens in communication with the LED module, and a zoom apparatus that selectively adjusts the relative axial separation of the optical system and the LED module the zoom apparatus including a first sleeve having the LED module rigidly arranged thereon, the first sleeve further having a first threading arranged thereon. A protrusion on one of the first and the second sleeves, the protrusion being aligned parallel to the optical a groove on one of the first and the second sleeves that receives the protrusion to prevent relative rotation of the first and the second sleeves.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should
